Products for New Jersey and Southern New York outside of NYC.
Providing engineering support, application/design assistance and sales for all listed manufacturers and products.

Fan Powered/DOAS, VAV and Underfloor Terminals, Chilled Beams, Air Handlers FCUs and GRDs including displacement, laboratory and hospital operating room systems.

Centrifugal, axial, kitchen exhaust and supply fans, gravity ventilators, cabinet fans, centrifugal blowers, vane/tube axial fans and lab exhaust fans. **Factory standard 2 year fan warranty and 5 year fan bearing warranty.**

Commercial and industrial ventilation products, energy recovery units and kitchen ventilation products.

Light and Medium duty industrial axial ventilation products and cast aluminum blowers with rapid availability.

High Volume Low Speed ceiling fans up 24' in diameter for commercial and industrial applications. **Factory standard 1 year 10 year and 15 year fan warranties.**

Commercial/residential ventilation products and residential energy recovery units. **Factory standard 5 year warranty on DC/EC motor fans.**

Ventilation for heavy industry, corrosive exhaust, water/wastewater, marine, high technology/semi-conductor, food service and power generation. Products include FRP, blowers to Class V and axial products. **Factory standard 2 year/5 year fan warranty.**

Commercial centrifugal and axial fans with wide variety of EC motors, controls and rapid availability on many products.

Gas detection systems as well as post sale commissioning and calibration for parking garages, refrigeration and industrial applications.

Noise control, vibration isolation and seismic/wind restraint curbs and components.

Punkah, nozzle diffusers and round architectural grilles.

Cable operated dampers, regulators and small motorized dampers.

Louvers, control dampers, industrial dampers and life safety products.

Louvers, dampers, blast dampers, sunshades, architectural grilles, life safety products and drop box diffusers.

Commercial and Industrial HVAC products and kitchen exhaust systems.

Positive pressure flue, zero clearance grease exhaust duct and AL294C exhaust duct.

Electric heating and comfort conditioning products.

Rooftop ductwork and engineered insulated indoor round and oval ductwork.

Rooftop support systems, equipment stands, ramps and access stairs.
